A word of beginning

From a debt ridden school at Barboursville, Morris Harvey College has grown to become today the largest independent college and the third leading educational institution in West Virginia.

The college was founded in 1888 by the Charleston district conference of the Methodist Episcopal Church, South. It took as its name, Barboursville Seminary, and the new institution was established in a recently-abandoned county court house and jail.

In 1889, the West Virginia Conference of the church assumed control of the school and changed the name to Barboursville College. The church exercised stringent controls over the college and its students, formulating all matters of policy and striving to keep the students from "all matters of harmful influence."

In this category were included plays, sports, dancing, social activities, tobacco, and drinking.

Morris Harvey, wealthy Fayette County Coal operator, in 1901 offered to donate \$100,000 to the college if the institution were moved to Charleston. When the conference abandoned the idea of relocation, the industrialist made a gift of \$5,000 to the college. The trustees were overcome with gratitude and they changed the name of the institution to Morris Harvey College.

The church began to loosen its hold on the college and in 1904, non-compulsory military training was established and a magazine, *The Oracle*, began publication.

A baseball team was organized the same year and in 1905 won 17 of its 18 games; football entered the picture soon thereafter.

In 1918, campus activities increased markedly. Several new student organizations were formed and a lyceum was sponsored. The *Comet* made its appearance in 1921, followed by *The Harveyan*, in 1923.

While a new building program was under way, the Charleston Chamber of Commerce offered to raise \$300,000 for relocating Morris Harvey at or near Charleston.

The offer was refused, but another offer of \$100,000 to keep the college in the same location was accepted from the Barboursville Chamber of Commerce.

Dr. Leonard Riggleman assumed the post of president of the college in 1931.

Indebtedness rose to greater heights during the days of the depression, and the college was forced to accept farm produce as payment of tuition and fees.

Another invitation to relocate came from Charleston in the Spring of 1935. Dr. Riggleman expressed a desire to accept the proposal and called attention to the fact that the college could not continue to operate under existing conditions.

"If we go there we live! If we stay here we die!" he said.

The executive committee of the board of trustees turned the college over to two trustees, Dr. Riggleman and Dean Ashby C. Blackwell, for one year.

The college opened in Charleston in September of 1935 in the Kanawha County Library Building. Later other space was obtained and college departments sprouted all over the city.

With gross enrollment reaching 1,965 during 1939, the college felt the need for more space. In December, 1940, the institution purchased a 12-acre plot of land in South Ruffner for \$47,000.

Because the three major branches of the Methodist Church merged as one in 1940, leaving two church supported schools in West Virginia, W. Va. Wesleyan and Morris Harvey, the church relinquished all rights to Morris Harvey on August 1, 1942.

In 1946 the college administration obtained six temporary barrack-type buildings from the Federal Government, and the centralized college home was accomplished on Sept. 8, 1947. In the Fall of 1948, the student activities building was completed.

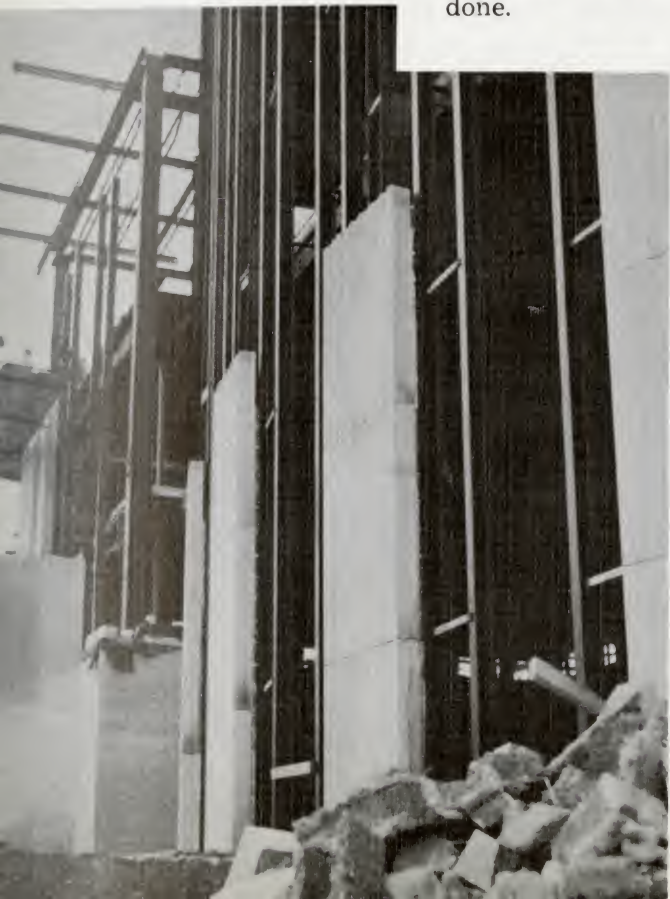

A ground breaking ceremony for the new \$1,600,000 building was held on January 7, 1950, and opened for classes at the beginning of the 1951 Fall term.

THE STUDENT ACTIVITIES BUILDING

Construction of the new main building presented many problems, none of which, however, proved insurmountable in the face of determination and skill. To the architects, the engineers, the construction and electrical crews, the plumbers, in fact to everyone connected with the erection of the new building, our thanks for a job well done.

Alma Mater

*In the shadow of the mountain,
By Kanawha's River;
Our beloved Alma Mater
Proudly stands forever:
Morris Harvey, Morris Harvey,
True we'll ever be;
Morris Harvey, Morris Harvey,
Hail, all hail, to thee.*

"EASY, FELLOW"

PHI KAPPA KAPPA

Lou Ann Rhodes, Pres.

The Phi Kappa Kappa sorority was organized in the Fall of 1928 on the Morris Harvey Barbourville campus. Its aim is to unite young women of congenial tastes into a more intimate fellowship. By means of this fellowship and sisterly understanding, each member is given the opportunity of broadening and enriching her life socially, intellectually, physically, and spiritually.

In the beginning of the Fall term the sorority changed its name from Phi Kappa Sigma to Phi Kappa Kappa.

Howdy Day, an annual affair sponsored by the sorority, broke the ice after Fall registration by making "howdy" the day's official greeting. Many activities highlighted the year, such as the Sweater Swing, bake sales, Christmas Party at Hillcrest sanitorium, Twilight Tea, Hawaiian Rush party, pledge initiation and dinner, Wild West party, tea for mothers, dinner-dance, and the annual Spring formal.

An active organization of energetic members, women of the Phi Kappa Kappa were represented in the cheerleaders, Comet staff, Philharmonic choir, Student Council, Panhellenic Council, Sadie Hawkins Day, Art Guild, Women's Athletic Association, Black-friars, and "Who's Who in American Colleges and Universities."

For the fifth consecutive year, the Zeke's published the annual student directory. Following a tradition of service to the college, the basketball programs for the year were furnished by the ZK's.

An "Indian Summer" Dance, the Birthday Ball, Christmas and Spring formals, and numerous other private functions comprise the year's activities for the Zeke's.

The Mu Chapter of the Zeta Mu Epsilon was formally installed at Morris Harvey April 8, 1948 by Mrs. Rush D. Holt, Grand National President of the sorority. It is the youngest campus sorority.

Zeta Mu's are active in the Philharmonic Choir, Women's Athletic Association, West Virginia Academy of Science, Chi Beta Phi, Future Business Leaders of America, Newman Club, and The Comet.

The highlight of this year's social events was a formal dance, at which members of the Gamma Chapter of the sorority from Greenbrier College were guests. The year began with a five-day camping trip on the Greenbrier River. In February, the annual Founder's Day banquet was held, and this summer the Zeta Mu's will attend the sorority's biennial conclave at Tennessee Wesleyan College, Athens, Tenn.

Mrs. Maud Cammack, Morris Harvey English instructor, is sponsor of the sorority. Patronesses are Mrs. John Lambros, Mrs. Jo Fink, Mrs. C. J. Harris, Mrs. William Morlang, and Mrs. James G. Vandergrift.

ACKNOWLEDGMENTS

Another school year has come to a close and we of the Harveyan staff have tried to give to the students of Morris Harvey a review of campus activities of the past school year.

In producing this yearbook many people have been of great help. We would like to thank Mr. G. C. Lazenby, our faculty advisor, for his assistance and advice. We, also, want to thank Paul Trotter, John Norvell, and Betty Stone for their services.

We are grateful to Mr. John Shanklin, D. Boone Dawson, and Dr. W. W. Point and the many others who contributed to the success of this yearbook. We want to thank Betty Southworth and Mary Shafer for their typing on the Harveyan.

Above all, remember the advertisers for they are the ones who made this, your yearbook, possible. Their success is also success for our yearbook in the future.
